Prayer of the Month—May

Dear Heavenly Father,

Please bless the key workers, teachers, NHS, police officers, ambulance drivers. We pray for our parents at this unusual time and thank them for putting in so much hard work trying to home-school us.

Lord please protect our elderly relatives, our aunties, uncles, and anty other family members we cannot see.

We pray for our friends who are in quarintine we hope they are OK and that they are keeping their spirits up and staying safe. Father guide our goverment in making the right decisions so we can prevent more Covid-19 cases from happening. Friday 1st May was St Joseph's day, we think of our school community and pray for the times we will be reunited and continue our celebrations.

Amen
