

Newsletter: April 2017

Dear Parents/Carers,

Welcome Back! We hope you enjoyed the Easter break. Thank you for your outstanding support with the children's Lenten calendars – we were all very impressed with the many ways the children walked with Jesus for the forty days of Lent. Please send your child's completed Lent calendar into school so we can keep this in their RE exercise books. Also, if you opted to save money for the 'Children in Crisis Appeal', please send your money box into the office this week if you have not done so already – many thanks.

Please find some items for your attention below:

Uniform

All children should attend school in their summer uniforms this term:

- Girls – summer dresses (blue and white check) and blue cardigans/jumpers
- Boys – light blue polo shirts with either grey shorts or trousers and grey jumpers (please remind your son(s) to tuck shirts in!)
- Parents of nursery children can choose whether to send their children into school wearing a summer uniform or their usual track suits.

Please remember jewellery, shaved/coloured hair patterns are not permitted nor distinct, stylised haircuts.
Please also ensure long hair is tied back – thank you.

NB: Party Bags – please ensure you check these when your child receives them. If sending in party bags, please ensure these do not contain party poppers or items containing nuts – thank you. Also, only 2-3 items in each bag is recommended.

Parents' Suggestions and Comments

Thank you for your comments and suggestions. The parents' suggestion box is located in the entrance area of the school. Please speak to a member of the admin team if you have a suggestion or would like to make a comment and would like some assistance. We do not have any new suggestions to respond to at this time.

Admin Notices

Thank you to parents/carers for providing school payments in blue school money pockets. These can be purchased from the main reception desk at a cost of £1.00 for 10 pockets.

School uniform can be ordered via the main reception desk. Alternatively, you can collect a uniform order form from main reception to complete and return at a later date. Please ensure you have ordered uniform prior to sending in payment – thank you.

We are unable to administer medication to any child unless it has been prescribed by a doctor. If prescribed medication is required during the school day, please ensure you have completed a 'Medication Permission' form which can be obtained from the main reception area.

Please ensure you and your child are organised for school. Whilst we appreciate, at times, you may forget PE kits and water bottles, it helps us all if the children arrive in school, on time, with all their belongings. The member of our admin. team, positioned at the pupil entrance at 8:40am is primarily there to ensure pupil safety. Please keep interactions with this member of staff to a minimum and visit the main reception should you have a detailed enquiry – many thanks.

St. Joseph's Kitchen

Our school kitchen is going from strength to strength! We had an unannounced visit from Environmental Health last Friday and we were awarded 5/5 stars for our hygiene rating and healthy practices! Thank you to Mrs Castagno, Mrs Budd, Mrs Agyeman and Miss Torres for their hard work and energy!

Our summer term menus are available on the school website for your review. We have enjoyed tasting the children's dishes too! Thank you for all those who brought in recipes in response to our school council initiative!

Reminders

The pupil entrance opens from 8:40am every day. The school whistle sounds at 8:55am signalling the start to the school day. Children will be admitted into school via the pupil entrance after the whistle has sounded, but they will be given a late card and will be asked to join the late line as their class may have already entered the school building. Once all classes have entered, a member of staff supervises children in the late line into school. To avoid your child being late, please ensure s/he is on time by arriving at school at least 5 minutes before the whistle sounds.

We hope to see a lot more warm weather this term, if we do, please apply sun cream to your child's face, neck, arms and legs before school. We will be talking to the children about regulating their play, e.g. using the shaded areas in the playground, not playing running games for the whole duration of break-times, but making use of the quiet areas too and keeping well hydrated with the use of water bottles and water fountains.

Also, if your child takes home any items of uniform belonging to somebody else in error, please ensure these are returned at the next available opportunity – many thanks ☺

If you have any questions regarding our school policies, procedures or any items in this newsletter, please do not hesitate to make an appointment with Mr Macauley through the school office.

Kind regards,

St. Joseph's School Staff
