

St. Joseph's Parents & Toddlers

We have had to *temporarily* close due to school building works!

But...we will be back open on Mon. 5th March 2018!

We thought we would have to close permanently due to school funding cuts, but thanks to our parent community we have been successful in an application for a funding grant!

Special thanks to Francesca Marchetti Caricato and Lucette Yvernault for researching and applying for the grant as well as the many other parents who wrote letters of support for this. We, and all the parent & local community, are so grateful. We have come to understand how popular and valued the parents & toddlers club is and the difference it makes to individuals and families personally & socially.

So...get ready for March! See full details below:

When?

Monday, Wednesday + Friday mornings – from 9-11:00am

Where?

The Tower and Thames Rooms!

(adjacent to the school car park. Enter via the George Row entrance)

Who?
