Our Prayer of Thanks

Dear Heavenly Father,

You have awarded us so many gifts in our lives including; our loving families, caring friends, comfortable homes, supportive schools and wonderful world.

In our busy lives, help us remember to appreciate your blessings and say thank you for them.

In particular, let us be grateful for your greatest gift of all, your son Jesus, whom you sent so we may have eternal life with you in heaven.

Let us show our gratitude by always being considerate and kind and living as he taught us.

Amen.
