### **St. Joseph's 6 vs Dunraven 3**

- **Such a lovely morning** for a football match.
- **We took an early lead with a penalty** and managed to stay ahead throughout the match.
- **We looked good in every section** of the pitch and could have scored more goals. We are improving with every game and there is still a lot we need to learn so it's a good time of the season.
- **One of those things** is remembering to get back behind the ball when we lose it so that we don't leave our defenders vulnerable to the counter-attack.
