### **Mr Coffey's Reflection**

Firstly, I'd like to wish you all a happy new year, and also to thank you on behalf of the staff for your generosity and kind words as we brought the last term to a close! Miss Quinn got married in December, and will now be known as Mrs Jones. We wish Mr and Mrs Jones a lifetime of happiness!

It has certainly been an exciting start to the new year! We have welcomed Elizabeth Class' new teacher, Mrs Moore, who was immediately a part of the wonderful 1 and 2 phase group's royal tea party, while our Reception children finished off the week as superheroes – the opportunity to say "Good Morning, Batman / Supergirl" for the morning register is always a bonus.

It has been wonderful to welcome all of the children back of course – capes or no capes – to a brand new year, and we can't wait to see the exciting work and progress they make as they continue their learning journey here at St. Joseph's.

## **Speech And Language Therapy— Update**

If your child has Speech And Language Therapy (SALT) sessions in school, they will be bringing home a copy of their individual targets for this term.

These targets will be worked on in school. It is helpful for you to know these targets and support your child wherever possible.

If you need any further explanation, please contact the school's therapist using the email address on the given target sheet.

## THIS WEEK'S HOUSE POINTS

**"YESTERDAY IS GONE. TOMORROW HAS NOT YET COME. WE ONLY HAVE

Miss Dixon would like to recommend, 'The Smeds and the Smoos,' by Julia Donaldson. She says, "This bright and colourful book has a very clever way of wording a lovely message for children, teaching them that we should treat everyone with kindness—even when we may be different to one another."
