Week Two –Mr Coffey’s Reflection

What a busy week it has been! Following on from last week's superheroes and tea parties, the children have been working brilliantly in their first full week back since the break. Across the school, there has been a wonderful atmosphere as the children have been looking out for each others' kind acts, spurred on by the message from our Liturgy assembly in which Jesus asks us to "Come and See," to get to know Him and follow His ways. I have also been inundated with children proudly sharing their work, while our first round of "Proud Post" to celebrate the children's achievements will be winging its way home in book bags today! We now eagerly look forward to the first of the 3–4 Phase Group's assemblies, with Joseph class taking center stage next Friday!

Enjoy the weekend, and we will see you Monday!

EYF\$ (Nursery and Reception) News

This week, the children in Nursery have been learning about different forms of transport and have enjoyed making vehicles from junk modelling. In John Paul Class, the children enjoyed making smoothies as part of their learning on liquids and solids. They made predictions about what would happen when they put their smoothie mixture in the freezer!

Year 1 + 2 News

Across KS1, the children (and adults!) have been having fun in Art using the seasons and weather as inspiration. In Year 2, the children have been exploring different trees found in the United Kingdom as part of their Science lessons. Miss Warner said, "The children did a great job explaining the difference between deciduous trees and evergreen trees."

Year 3 + 4 News

In Years 3 and 4, the children have had fun this week, working very hard to create their own cautionary tales in the style of Hilaire Belloc. Eli and Georgie in Joseph Class wrote their own excellent cautionary tales!

Ms Galeani would like to give a special mention to David in Felton Class for his respectful behaviour in the playground, and Miss Dixon would like to congratulate Sara for her outstanding work in English.

Year 5 + 6 News

A special mention to Sabrina who has completed Lexia! She is the second Year 6 pupil to do so after Toni, who completed it earlier this academic year. Well done to you both- Mr Humm is very proud!

Proud Post

Keep an eye out for some unofficial 'post' that may be coming your way!

From today onwards, your child may come home with, 'Proud Post' – a little note sent home to parents/carers when the adults at school feel a child has done something to be proud of.

This could be for a range of reasons, including; being kind to one another or trying very hard in a particular lesson.

A rectangular template for a 'Proud Post'. It features a small icon of a globe and an envelope in the top right corner. The text inside reads: 'Proud Post', 'A note home to say that today, _____ has:', a list of seven checkboxes with blank lines for text, 'I am very proud, and you should be too!', 'Signed: _____', and 'Date: _____'.

THIS WEEK'S HOUSE POINTS

“COME, FOLLOW ME, AND I WILL MAKE YOU FISHERS OF MEN: FROM NOW ON YOU WILL BE GATHERING PEOPLE, INSTEAD OF FISH.”

MARK 1: 14– 20

Thought for the Week

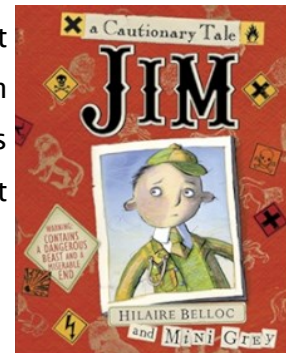

Darkness cannot
drive out darkness;
only *light* can
do that.

Hate cannot
drive out hate;
only *love* can
do that.

Martin Luther King, Jr.

D.E.A.R

Years 3 and 4 would like to recommend, '*Jim*,' by Hilaire Beloc, retold by Mini Grey. The Year 3/4 Team said, "The children have thoroughly enjoyed learning this narrative poem. They have learned that every choice has a consequence, and they have explored what happens when these choices are not positive."
