

Elizabeth Class Curriculum Letter

Hello Everybody! At St Joseph's we appreciate your interest in what your child does in school and we want to provide you with some information about what they will be learning this term. Thank you for your continued support with your child's learning. If you wish to speak to me, please find me after school or book an appointment with the office.

From, Mrs Moore

English - The Great Fire of London

- Identifying the features of a diary entry.
- Writing in the past tense by adding the suffix -ed onto root words.
- Using conjunctions to compare London in 2024 to 1666.
- Writing exclamations and questions.
- Investigating different suffixes to create adjectives and noun phrases.
- Retelling a story from a character's point of view.
- Planning, writing and editing a diary

Maths — Place value within 50

- Counting by making groups of 10

- Measuring mass and capacity
- Comparing value

Science - Seasonal Changes

- Undertaking experiments that allow us to spot weather patterns.
- Using UV beads to see the effects of the sun.
- Observing changes in the strength of the wind, the amount of rain fall and temperature.

RE - Thanksgiving & Opportunities

- Understanding different ways to say thank you.
- Explore how the parish family thanks God for Jesus.
- Recalling stories like 'The Last Supper'.
- Understanding the celebration 'Eucharist'.
- Talking about how each day offers opportunities for good.
- Understanding that Lent is the opportunity to turn towards what is good in preparation for Easter.

DT - Taxi

- Investigating wheels, axles and chassis.
- Experimenting by using wheels and axles to make a simple moving model.
- Describing the similarities and differences between different axles.
- Designing and making our own taxis using a range of different materials.

Geography - Bright Lights, Big City

- Understanding the Great Fire of London and exploring songs and rhymes related to this significant event.
- Exploring tourism in London.
- Understanding geographical similarities and differences in a small area of the UK and another small city.

Music with Mr Dixon

- Learning to discriminate between longer and shorter sounds.
- Using sounds to create interesting sequences.

PSHE - Created and Loved by God

- Trying to understand feelings, likes and dislikes.
- Realising that you experience different feelings at different times.
- Understanding the consequences of choices and what to do when things go wrong.

PE - Dance

- Responding to stimuli with a range of actions.
- Moving at different speeds.
- Creating shapes and actions.
- Moving in time with the music.

Computing - Grouping

- Labelling and matching different objects.
- Grouping and describing different objects based on their attributes.
- Classifying objects based on their properties.
- Comparing and recording the number of objects in each group.

*Never stop
learning, because
life never stops
teaching.*

Dates to remember:
