## **Nursery + Reception News**

This week, the children in Nursery have been enjoying the sunshine and have spent a lot of time outside. They have role played going on a camping trip with a real tent, singing songs around the campfire and paddled in the water pretending they were at the beach!

Ms Sommergyll has chosen Andres in John Paul Class as After-School Club Superhero this week. She said, "He is always doing a fantastic job of putting the toys away at the end of playtime! He is a good listener and is always polite. Andres, you are a star!"

## **Year 1 + 2 News**

In KS1, the children have been exploring our school grounds and all the different facilities we can find. We located our school on Google Earth, learned how to write an address and thought about how to improve our school grounds. The children went outside for this lesson to sketch the school and included all the different facilities. Well done to Persis, Julia, Frances and Jemima. They focused on adding lots of detail into the drawings and included things such as the playground, Mr Coffey's office, Jerome Class and the AstroTurf. There were also some brilliant responses for improvements to the school. "A bigger playground with more activities," stated Linas. "All rooms should have aircon," declared Damilola. "A kindness area to teach children on how to be kind," said Nathalie.

Mrs Wu would like to give a special mention to Milana in Baptist Class for always being extremely kind and helpful. She said, "Everything Milana does- she does it from the heart!"

### **Year 3 + 4 News**

Miss Elston would like to give a 'Special Celebration' shoutout to Asher and Sonma who made their Holy Communion last weekend. She would also like to give a special mention to Max for making great progress in Maths and challenging himself with his English, and Eldana for looking after and comforting the younger children in the playground when they come into school in the morning.

Miss Anderson would like to give a special mention to the whole of Joseph Class for proof-reading, editing and publishing their own writing this week. Well done, Joseph Class!

### **Year 5 + 6 News**

Miss Allen would like to give a special mention to Archie, David, Ezekiel, George, Jotham, Keduse and Sonny in Dempsey Class for making excellent progress with their reading ahead of their SATs. We have been working on inference and vocabulary skills, and all of the boys have been very enthusiastic and positive during the reading sessions. Well done!

Mrs Wu would like to give Lola, Ruby and Sabrina a special mention for always being super helpful with the younger children at breaktimes, and also in the corridors and playground.
