

St. Joseph's Toddler Group

St. Joseph's Toddler Group has been established since January 2016. Our primary school has seen many generations of families pass through its classrooms in its 100+ years and we wanted to extend the provision, space and resources to our much younger siblings and our local community.

At St. Joseph's we have always striven to offer the best care and education for all pupils within a loving and caring environment inspired by God. It was a natural step to extend our family and offer a wonderful and welcoming Early Years resource to parents, young children, visitors and friends contributing to our community.

We intended for our Toddler Group club to be inclusive and welcoming. We wished to not only offer a calm, bright and richly resourced learning environment for our young explorers, but also to provide a support network for parents. Being a parent brings its challenges and sometimes one can feel a little alone with problems such as rainy days, nappy rash, teething and more. We wanted to offer a place of friendship, support and understanding; a place where parents could chat, seek advice, watch their child play safely and happily and enjoy a cup of tea!

We were delighted with the attendance and response of parents and carers and the only time the children tended to cry was when it was time to go home!

We achieved what we set out to offer and more. Parents and carers enjoyed watching their children investigate the wonderful learning resources and also found the club helped them socially and mentally. Every aspect received very positive response with the only negative being that the club is not open for more days and for longer session times!

Below is a record of the Toddler Group history to date.

A special thanks is owed to key members of staff who have been instrumental in the vision of, the setting up and running the Toddler Group Club:

- Mr Macauley (previous Headteacher whom worked at St. Joseph's for 31 years & retired in July 2017)
- Miss Alford (previous Deputy whom worked at St. Joseph's for 17 years & left in July 2017)
- Mrs Byrne (current Headteacher responsible for the continuation of the club)
- Mrs O'Mahony (Toddler Group Manager & Early Years Specialist whom has worked at St. Joseph's for 30+ years)
- Mrs Martin (Premises Officer)
- Mrs Ryan (Toddler Group volunteer)

- Special thanks also to our many volunteers over the years who have supported in the Toddler Group Club and the parents who secured funding via the Tideway Community fund for its continuation – and long may it continue!
