Thursday 22nd October 2020

Dear Parent/Carer,

RE: Half-Term Homework

Home Learning

This half-term, your child's homework can be accessed online via 'Google Drive', an online platform we use as a school to support the children's learning at home. Your child has been set a variety of different activities to complete to support their learning by their class teacher.

The link to access your child's home learning is: <https://tinyurl.com/ycb2ohwr>

Your child has also been given a handwriting book, reading books and key words to support their learning at home over half term. If you are unable to access the online learning materials at home please get in touch with the school via phone so that alternative provision for your child can be made.

Over half term, we welcome you to upload images of your child's learning on to the 'Evidence Me' app so that their learning can be shared with their class teacher.

Yours faithfully,

Mrs Byrne

(Headteacher)
