School Photographs - Individual and Siblings

Dear Parents / Carers,

On **Thursday 29th April 2021** our school photographer will be visiting us to take photographs of the children in school. Your child can be photographed individually, with their siblings or both. Due to the volume of photographs needed to be taken on the day, the photographer will be returning on **Thursday 6th May 2021** to take class photographs.

Proof photographs will be sent to you within a few weeks of the pictures being taken. If you like the proofs and wish to purchase the photographs, simply complete the accompanying form and send payment into school in a blue money pocket. Payment details will be sent with the proofs, including who to make cheques payable to.

Please ensure your child attends school ready for their photographs on **Thursday 29th April 2021**. You may wish to send in a hairbrush or comb for your child to use prior to the photographs being taken - our school staff will manage this.

Thank you for your co-operation.
