

PE and Sports Premium 2021-2022

The government have announced that additional funding will continue to be provided to improve provision of physical education (PE) and sport in primary schools. This funding – provided jointly by the Departments for Education, Health and Culture, Media and Sport – is allocated to primary schools. The money is to be used to improve the provision of P.E. and school sport.

At St. Joseph's we embrace and actively promote sporting opportunities and physical activities, recognising the value this brings to our children's physical and personal development.

Academic Year	PE and Sports' Premium Funding Received
2020-2021	£18,680
2021-2022	£30,889

Key Achievements to Date

The money has spent on specialist sports coaching for our children, sports' resources as well as 3 qualified swimming instructors to develop the children's water confidence and swimming proficiency. Such is our commitment to high quality PE and Sports provision that we have spent more than our allocation. Unfortunately, over the past 12 months the Coronavirus pandemic has prevented the school from running its typical wide range of sporting after school clubs; the school football team; swimming lessons and a programme of competitive sporting events. The money saved during this period has been reinvested in improving the quality of the school's PE opportunities, teaching, and resources and in games and sports equipment that will promote active play during break and lunch times.

There is a carryover of £11,581 from the academic year 2020-2021 to the academic year 2021-2022. This money will be re-invested in memberships to the London PE network, developing the range of competitive sporting opportunities for our pupils and developing staff expertise in the teaching of PE.

Key Achievements to Date	Areas for Development
<ul style="list-style-type: none"> Children demonstrate a good level of fitness and a positive attitude towards sport and physical activity Children demonstrate good development and progression in skill acquisition, agility, balance, coordination and creativity The school runs a broad programme of extra-curricular sports clubs including: football, tag rugby, athletics, cricket, handball and netball Good levels of participation in extra-curricular sports clubs 	<ul style="list-style-type: none"> The London PE network will provide specialist sports' coaching for the children of St Joseph's weekly – including running two weekly after school clubs To increase the opportunities for our pupils to take part in competitive sporting events To resume a full programme of extra-curricular sporting opportunities following the COVID-19 pandemic To develop staff knowledge and expertise when teaching PE through training/shared

<ul style="list-style-type: none"> The school football team compete in an intra-school football league winning the competition twice in the past 3 years The purchase and implementation of a range of sporting resources and games to promote 'active play' at break times and lunch times 	practice alongside the London PE network specialist coaches
---	---

National Curriculum requirements for Swimming and Water Safety	St Joseph's 2020-21 (%)
Percentage of Year 6 cohort who could swim competently, confidently and proficiently over a distance of at least 25 metres	73%
Percentage of Year 6 cohort who could use a range of strokes effectively	64%
Percentage Year 6 cohort who could perform safe self-rescue in different water-based situations	68%

At St Joseph's we allocate funding from the PE and Sports Premium to provide additional provision in swimming above and beyond the National Curriculum requirements. This funding is used to provide an additional swimming instructor during swimming lessons and to provide 'top-up' swimming lessons for our Year 5 and Year 6 pupils.

Allocation of Pupil premium Funding	Total Allocated
Additional Swimming Instructor	£1,050
Swimming Lessons – Year 3-6	£5,125

PE and Sports' Premium Funding Allocation 2020-21

The engagement of all pupils in regular physical activity			
Academic Year: 2021-2022		Total Funding: £18,656
