## **We Love Reading!**

At St Joseph's, we love to read! Each and every day in class, we spend time where we D.E.A.R (Drop Everything and Read). We will be starting back our recommendations for reading each week– see Miss Pülle's recommendation on the next page. To help with this, we have a new 'Book Swap' station at the School Office, where you can donate books you have read and enjoyed. You can take a book that you like the look of, with no charge. We even have a section for the adults too! Nursery also have a 'Lending Library' that you can access daily, with books for our youngest readers.

Pop in and have a browse!

## D.E.A.R

Miss Pulle would like to recommend, 'Amazing Grace,' by Mary Hoffman. She says, "This book is brilliant because it tells us that we are more alike than different, and it encourages us to discuss race. Also, it reminds us to not let go of any dreams we may have."

## Birthday Shoutout;

*We would like to wish those who have celebrated their birthday this week or have a birthday this weekend, a very **happy birthday!***
