Admissions Arrangements – School Year 2025/26

The St Joseph's RC Primary School, George Row, is consulting all interested parties including parents, schools and community groups on its school admissions arrangements for the 2025/26 school year.

As determined by the School Admissions Code, we are inviting comments on the proposed changes.

A copy of the proposed Admissions Policy is available on our website at:

<https://stjosephsgeorgerow.org/admissions/>

Alternatively, if you require a hard copy of the policy please contact the school directly.

The Governing Body is proposing an amendment to the Admissions arrangements from September 2025 in so far as to simplify the evidence required to support the commitment to the catholic faith by removing the need to complete a supplementary form relating to the attendance at mass and in its place applicants providing the Diocesan "Certificate of Catholic Practice" . In addition, by removing the evidence of residing within specific parish boundaries from the order of priorities when applications within any of the categories exceed the places available and it is necessary to decide between applications.

The other criterion remains unchanged.

Details of the Admission Arrangements are also published on the school's website at:

Should you wish to respond to this consultation you may do so by either emailing to:
