Spring Two Curriculum Letter

## McAuley Class

### ***In this issue:***

- ◆ What We're Learning
- ◆ Dates for Your Diary
- ◆ Key Information & Reminders
- ◆ Miss Elston's Top Three for Being in Year 3!

Dear Parents/ Carers,

Welcome back to a brand new- half-term! We hope you are all well rested and had a good break. We are more than half-way through this academic year now, and we would like to take this opportunity to update you with the content your child will be learning this half-term.

We began our preparations for Lent this week in school. Please spend some time reflecting on this with your child throughout out this half-term, speaking to your child about what they have learned and reviewing their Lenten Promises.

As always, if you have any concerns, queries or questions, please do not hesitate to speak to us at the end of the school day or make an appointment to see us.

Thank you for your continued time and support,

*Miss Elston*

(McAuley Class Teacher)

## **What We're Learning**

### **English**

At the beginning of this half term, we will read, '*Cinnamon*,' by Neil Gaiman. We will focus on the conventions of dialogue through drama, and your child will go on to write a story in the style of Cinnamon using speech. By the end of this half-term, we will move to our non-fiction unit, and create a newspaper report about an earthquake. Your child will include the information they have learned from the main project topic in this report.

### **Maths**

This half-term, we will begin our learning on 'Fractions' by developing an understanding of the different parts of a fraction, and then use this knowledge to compare and order both unit and non- unit fractions. Following this, we will apply arithmetic skills when learning about 'Length and Perimeter.'

### **R.E.**

Your child's first topic this half term is, 'Giving and Receiving,' in which they will be exploring the Eucharist and how we receive Jesus in Word and Sacrament, before then giving of ourselves when we take the message and mission of Jesus' Gospel to the world with the Concluding Rite. In keeping with our school wide focus on 'Community,' your child will also discover how these elements of the Sacraments bring us closer to God, each other and those around us.

In the topic of 'Self-Discipline,' your child will learn that Lent is the part of the Liturgical Year when people unite themselves with Christ in order to grow in self-discipline through the practices of prayer, fasting and giving. Your child will celebrate the growth of new life in Christ, in preparation for the feast of Easter, while exploring the different ways in which self-discipline can impact on our lives as part of the Catholic community.

**Main Project- Geography — ‘Rocks, Relics and Rumbles’**

This half-term, your child will continue building on their knowledge from Spring 1, your child will explore volcanoes, their different features and where in world they are situated, understanding longitude and latitude to help them describe the specific area.

**Science**

This half term, your child will continue to investigate frictional forces and magnetic forces, including identifying parts of a magnet and magnetic materials. They will develop their skills through planning and carrying out investigations which encourage close observation, measuring and recording frictional forces.

**Computing**

This half-term, your child will develop their skills and ability to create documents using Microsoft programmes; Word, Publisher and PowerPoint. They will learn how to type text, insert images and save documents.

**Art**

Your child will continue to study the topic, ‘Ammonite,’ this half-term. They will learn about the artistic techniques used in sketching, printmaking and sculpture.

**Music**

Your child will continue to take part in weekly music lessons taught by Mr Dixon, our specialist music teacher. During the Spring Term, they will explore pentatonic scales.

**P.E.**

This half-term, your child will have Indoor P.E on Mondays. They will take part in a range of problem-solving activities. Your child will be taught by Coach Kwan, an experienced coach from LPN, for the duration of this half-term.

**M.F.L (Modern Foreign Language)**

This half-term, our French sessions will focus on the shape names as well as revisiting key words, and previously taught topic languages, such as animals.

## Key Information & Reminders

- ◆ For the remainder of this half-term, McAuley Class will take part in **Indoor P.E** on **Mondays**. Please ensure your child comes to school on Mondays with their full PE kit.
- ◆ Weekly Spelling and Times Tables Tests will continue to take place on a **Monday**. Your child's scores will be recorded in the back of their reading record every Monday- please continue to monitor these.
- ◆ Please ensure your child brings their water bottle everyday to school—think of their water bottle as part of their uniform!
- ◆ Please ensure your child wears a jumper and coat to school every day. If they wear gloves, hats or scarves, please ensure they are clearly labelled.

YOUR  
SPEED  
DOESN'T  
MATTER.  
FORWARD IS  
FORWARD.

## Dates for Your Diary

- ⇒ **Mondays** – Indoor PE
- ⇒ **Friday 1st March**—St David's Day—Children to wear an item of yellow to school
- ⇒ **Thursday 7th March** —World Book Day
- ⇒ **Sunday 17th March**—St. Patrick's Day— (Children to wear one item of green to school on Monday 18th March)
- ⇒ **Wednesday 20th March** — Class Photographs
- ⇒ **Week Beginning 25th March**—Holy Week Assemblies in school
- ⇒ **Thursday 28th March** — Maundy Thursday—Last day of term, school finishes at 2:00pm
- ⇒ **Friday 29th March**—Good Friday

## Ms Elston's Top Three for Being in Year 3!

**1. Read Every Day:** Reading is a superpower that takes you on lots of fabulous adventures. Read something every day! The more you read, the stronger your reading skills will become.

**2. Practise Your Times Tables:** Just like athletes train to excel in their sport, practising your time tables is the key to becoming a Maths Champion. Dedicate a special time each day to work on them.

**3. Get a Good Night's Sleep:** We are so busy learning in class, our brains need time to recharge so we need a good night's sleep every night, ready for the next day of learning!
