Stars and Superheroes of the Week

A massive congratulations to the following children for being awarded Star/ Superhero of the Week yesterday!

Well done to;

Biruke for taking care of God's creatures in our playground in **Nursery Class**.

Everyone in **John Paul Class** for their amazing first assembly and learning all their lines.

Jecoliah for focusing in class and learning her friends' names very well in **Peter Class**.

Violet for her hard work and positivity in **Elizabeth Class**.

Sebastian for always trying his best in all areas and seeking to improve his work in **Baptist Class**.

Jemima in **Jerome Class** for always being a brilliant role model for the whole of **KS1**.

Darcey for a being star this half-term in **McAuley Class**! She has been especially helpful to other children and adults the whole of this term, and really tries her absolute best with the effort she puts into her work.

Teresa for excellent effort with writing her own kenning poem in **Felton Class**.

Marisol for being eager to learn, working very hard and making great progress in **Joseph Class**.

Aaliyah for her amazing diary entry in **Campion Class**.

Tolani for her lovely piece of writing in English in **Dempsey Class**.

Susan for being focused in her learning and communicating in a mature and respectful way to adults in **Fisher Class**.

We are very proud of you all!

Mr Coffey's Reflection

We draw to the end of our half-term, having been on quite the journey since it began with our Easter celebrations, with egg-hunting, bonnet parades and more to mark the joy of Jesus' rising on Easter Sunday!

This week, we were delighted to be joined by Canon Alan who led a special assembly to discuss Pentecost, helping the children understand its importance as the birth of the church, and ensuring they went away with the knowledge that they themselves are the church, spreading the Gospel in their words and actions wherever they go.

As we look ahead to our final half-term, I hope you all have a restful holiday and look forward to welcoming you back for the exciting second-half of the summer.

John Paul Class Assembly

A massive well done to the children of John Paul Class for a fantastic assembly today. It was their very first assembly, but the very last of the class assemblies for this academic year. The children did a great job of sharing God's message with us all, just like Jesus' disciples did. They also sang beautifully and shared wonderful actions with us all. Well done, John Paul Class!

Nursery and Reception News

On Monday, Reception visited Lavender Pond. Miss Pulle said, "We went pond dipping and on a Minibeast Hunt. The children were able to hold newts, and see frogs and a toad in their natural environment. After the trip, the children have been writing thank you letters to Mike for all his help and guidance at Lavender Pond."

Year 1 + 2 News

Miss Warner told us, "This week we finished our History for this term based on our school. We went on a local walk to see all of the human and physical features around the local area. The children in Jerome Class were fantastic at completing their map of their school. They took the time to sketch various details like the church, the fire station and the playground. Declan made sure that he listened attentively to my instructions, Julia added lots of detail into her map, Joel sketched various different features and Damilola made sure that she was kind and caring to others throughout the journey. It was a great lesson!"

Mrs Thorton would like to give a special mention to Gebril, Duchess, Judah-Rose, and Bella in Baptist Class for their excellent poetry performances during assembly.

Ms Sommergyll's After-School Club Superhero for this week is Leo L. for his good behaviour and always giving a smile to everyone. Leo uses kind words and plays very well with other children. She said, "Thank you for being a wonderful member of the After School Club, we will miss you!"

Jerome Class—Local Walk

Year 3 + 4 News

Miss Elston said, "McAuley Class have been absolute pleasure to teach this term. Their work, effort and excitement for our new topics have made me very proud. I would also like to give a special shoutout to; Joseph and Precious for their amazing written pieces on Boudicca in History this week, Faith for her use of descriptive words and synonyms when planning and writing her kenning poem and lastly, Bobbi, Garcelle and Sianna for their persistence with our 'Time' topic, accumulating in completely nailing converting analogue time to digital clock time in our last lesson. Well done to all!"

Miss Allen and Miss Anderson would like to give a special mention to Amira and Eliana in Joseph Class for earning their Pen Licences this week- well done!

Year 5 + 6 News

Miss Allen thoroughly enjoyed teaching Fisher Class on Wednesday of this week. We looked at the beginning of the First World War, discussing the trigger of the war, and explored how people's thoughts and attitudes towards the war changed, as the war progressed. All of the children made excellent notes throughout the lesson, and showed excellent understanding of the questions, asked. A special mention to Henry and Lola for excellent explanations- well done!

Mr Humm is very proud of the Year 5 and 6 Mixed Girls and Boys football teams who came first and second place in the mini league! See the league table and photos on the next page.

Primary School Mixed KS2 Football League 2023/2024
